

Exchange Rules and Regulations

DEGIRO offers access to a wide range of financial marketplaces, each with different trading rules. Below you can find links to the rules and regulations of exchanges to which you can access.

For more information on our order routing see our [Products & Markets](#) page and the [Orders and Order Execution Policy](#) document.

This document shall not be considered a basis for any legal claims. Last update: 2021-03-10.
